# Envy And Gratitude & Other Works: 1946-1963

## Synopsis

Tavistock Press was established as a co-operative venture between the Tavistock Institute and Routledge & Kegan Paul (RKP) in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print, or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library: Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1957 and is available individually. The collection is also available in a number of themed mini-sets of between 5 and 13 volumes, or as a complete collection. --This text refers to the Hardcover edition.

## Book Information

Paperback: 365 pages

Publisher: Delta Dell Publishing; 1st Delta Printing, 1977 edition (May 1977)

## Customer Reviews

For my work and other references, we should read more of the Kleins' work to guide and assist our understandings of the personality disorder. Highly recommended and timely delivered in good condition.

A timeless book about the pioneering and fascinating work of Melanie Klein who shaped child psychoanalysis. Her work is second only to S. Freud.

The book is wonderful it's ideas are relevant for all the anger we see in today's world. I recommend

it highly.drerlich

The book is a must for theory and hxlIn good shape as advertised

It's a classic and continues to be so.
