Creative Job Superbook #7 Book 2. Sex Industry Job-Business Guide

Synopsis

In most communities, the local mainstream newspaper will contain a few ads in its Business Personals and Personals section in its hard copy but often, they'll put many more on their website. Most communities have an alternative newspaper/ magazine, not a sex alternative newspaper per se but an alternative newspaper for music, entertainment, left wing activism and sex. You'll see a few escort ads in there. The local sex shops will carry the local sex newspaper and magazine if there are any and the regional swinger's magazine. Local gay newspapers and mags contain some escort ads for straights. I/O in an ad refers to incall/ outcall. It means the sex worker does both: Incall, you go to his/ her house, apartment, brothel. Outcall, means the escort goes to your house or hotel room. You can usually tell who the place is run by in the way the ads are worded. Men-owned escort agencies will usually have sleazy ads portraying women as sex objects there for your pleasure. Ads put in by women will encourage playful fun and discretion but won't be demeaning towards women. In some areas, many girls operate as independent contractors, placing their own ads, running their own business with a few friends. In other areas, a few escort agencies run the entire escort business.
