## Book Information

Hardcover: 1814 pages

Publisher: Uversa Press; Hard/QR\_Audio\_Book edition (July 1, 2015)

Language: English

ISBN-10: 0965197220

ISBN-13: 978-0965197229

Product Dimensions: 1.8 x 6.5 x 8.8 inches

Shipping Weight: 3.8 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (122 customer reviews)

Best Sellers Rank: #121,240 in Books (See Top 100 in Books) #5 in [Books > Religion & Spirituality > New Age & Spirituality > Urantia](#) #820 in [Books > Self-Help > Spiritual](#) #33146 in [Books > Reference](#)

## Customer Reviews

An earlier reviewer referred to the text as "God given," and I agree. One feels gifted by God in the reading of this book, something I can still say after 30 years of its companionship. Many who are spiritually alive (or seeking to be so) will find their inner "truth resonators" vibrating soundly when they read this text, no matter which edition they read. A beautiful quality of this book is that no one needs to "tell" you if it is true or not. You will recognize its truth on a soul level, or not. There was a time when some considered this text "stolen" from the Foundation, but I pray such perceptions continue to heal and become reconciled. Commendably, the Foundation safeguarded the process of shepherding the contents into book form (publishing it in 1955). Much later, they sued for copyright, but lost. At the time of that lawsuit, some readers put a lot on the line financially, in order to protect public access to the book and its contents. One such person is Kristin M., who was ultimately forced into bankruptcy by the court costs, losing her home, etc. (Her portrait hangs in tribute, in my inner gallery of spiritual heroes.) Many selfless acts were made then, because the privilege of access is just that important. Now (happily), the contents are available on line--for free!--in both print and audio versions, and in a growing number of languages. Anyone who brings "eyes to see" to the material recognizes that the book was given to all of humanity for the benefit of all of humanity. It's a text which has the potential to change lives, and even nations, if sincerely

applied. Book distribution by both publishers is an act of service toward all seeking expanded truth.

The Urantia Book contains the stories, the cosmology, and the theological perspectives which inevitably will be a fundamental part of the Christianity of the future. The traditional Christian stories and classic theological perspectives are expanded and developed in this remarkable book. The story of Adam and Eve, the rebellion and fall of Lucifer, the development of the Hebrew scriptures and the Bible, the life and teachings of Jesus, the atonement doctrine, an understanding of life after death -- all of these key elements of the Christian experience are developed in remarkable detail in The Urantia Book. Not since the days of the Aquinas synthesis in the 13th century has such a comprehensive integration of Christian thought been achieved. The Christianity of the future will embody the perspective contained in The Urantia Book. Why? Because this perspective integrates scientific insight, highly regarded philosophic viewpoints, and widely accepted Christian theologic understandings. In the normal course of intellectual evolution the integration articulated in The Urantia Book is inevitable if Christianity is to continue as a relevant influence in the 21st century. In a reading of The Urantia Book today, the results of this integration may be experienced, much to the satisfaction of sincere spiritual seekers struggling in today's post-modern environment of intellectual and theological turbulence. For example, readers interested in theology will be intrigued by the manner in which the text integrates traditional trinitarian theology with process theology -- producing a robust platform from which additional theological and philosophical perspectives may be developed in the future.
