Warning Order: A Search And Destroy Thriller

Synopsis

In the second book of the explosive Search and Destroy thriller series, Mason Kane—a special ops hero with a questionable past, joins forces with the CIA to neutralize a radical offshoot of ISIS and unravel a conspiracy emanating from the White House's inner sanctum. After almost losing his life, foiling a terror plot that threatened to draw the United States into another war—Mason Kane, disgraced American soldier, and special operations legend is still on the government's blacklist. To finally clear his name, Mason strikes a deal with the CIA—throwing himself back into the deadly world of black ops. But when an asset tied to ISIS leads an old friend into a trap, Mason goes off the grid, and finds himself trapped in the middle of a plot involving an extremely violent and highly capable terror cell—with ties to the President's inner circle. With the help of Renee Hart, a DOD operative, and a team of elite special ops soldiers, Mason is determined to stop an attack aimed at crippling the US military before time runs out. Set in the shadows of the war on terror, and inspired by experiences of 82nd Airborne Paratrooper Joshua Hood, *Warning Order* is an action-packed thriller full of shocking twists and non-stop action that throws the reader into the murky world of clandestine operations.

Customer Reviews

Joshua Hood's *Warning Order*, the follow up novel to *Clear By Fire* finds Mason right back in the thick of things and gives you every bit of action and battle you could want. Joshua does a great job of giving you plenty of details but not too many, giving you the opportunity to create your picture of the battlefield and the situations that Mason and Renee find themselves in. Joshua's dedicated time to our country in the 82nd Airborne definitely helped shaped his understanding and thought process of men and women in battle. Mason finds himself in a very similar situation battling not only the enemy but the same people who want him to fight. Renee is still trying to define herself as a combat soldier while living in the world of war, that most people do not see fit for women. I was fortunate enough to have read *Clear By Fire* and then was able to receive an ARC of *Warning Order* (Thank You!!). Not taking anything away from CBF, but you can tell that Joshua has really embraced his characters and taken them to the next level in *Warning Order*. 2015 was a big year for me and I honestly thought CBF was the best book I read (I did read more than 1 book). I firmly believe that in 2016, *Warning Order* will compete with the likes of *Thor*, *Taylor* and *Bell*. The experiences that Mr. Hood has been through while serving the ole Red, White and Blue has definitely allowed him to make you feel like the rifle rounds and mortars are flying right by your head and exploding all around you. His ability to draw you in and keep the pages turn made my heart beat a little harder and feel like I was right in the thick of it. Although I have never been in battle, I feel like I have now because of *Warning Order*.
