Sh*t SJWs Say: The Picturebook Of The Perpetually Offended

Synopsis

You've heard comedians talk about being scared of liberal authoritarians, the social media campaigns, seen them try to shut down artists, smear entire fandoms as sexist, racist, whatever the hot buzzwords are! Now see them live! these are the unedited quotations of the perpetually offended in the wild! Now see them in their native habitat, on the wild, not how the press wants you to see them or how they represent themselves in short softball interviews, but as they actually are. This book is your guide to why these people should never ever be taken seriously in adult conversation. A companion to Beyond GamerGate: a PR Crisis Strategy Guide that stands on it's own with the kind of real life comedy you can't make up, but if you told people about them they'd think you were!

Book Information

Customer Reviews

Low resolution images in the book mean that it is difficult to read on a phone. It is funny, but just hard to read in my chosen format.

Hilarious, realizing that each ludicrous statement is meant seriously. Chilling, realizing that each ludicrous statement is also meant to be TAKEN seriously.
