Miracles Like You And Me

Synopsis

Based on the Biblical creation narratives, "Miracles Like You and Me" shows young children that our world is a miraculous place and that human beings are the most wonderful miracle of all. It is our obligation as human beings to respect our environment and respect each other. When we recognize just how miraculous our world is, and just how miraculous human beings are, we are more likely to care for our world and to care for each other.

Customer Reviews

What a beautiful book!!! The pictures are stunning and the words send a message that is so very positive. It empowers children to see their own inner value. I highly recommend this book regardless of your religious background (or lack there of).
