My Craft name is Navi Loo Seastar. I am natural born Clairvoyant medium and witch and have been a Pagan Priestess for over 20 years. I was delighted to read this book! Having led Full Moon rituals, teaching Witchcraft 101, and doing Psychic readings with Tarot and Past Life readings, I will definitely recommend this book to my students and clients! I make Hand Crafted Spell Candles and will be using the imagery in this book to assist me in putting good juju into my candles! The meditations and rituals and stories in this book are a great way to either initially connect to the various goddesses in this book, or to deepen one's connections to the divine feminine. Well written and easy to read with lovely illustrations. It would make a great gift for that witch friend or someone

who is new to the path. Blessed be)O(Navi Loo SeaStar www.ArcherMoonCreations.com

This beautiful book by Tara Reynolds is a must read for all of us who cherish the Divine Feminine. Focusing on nine Goddesses, Reynolds wonderfully describes the tales associated with them as well as guided meditations and rituals designed to strengthen your connection to these powerful energies. I found myself transported through time and space as I read about such Goddesses as Hekate and The Morrigan. What's more, the art (also lovingly created by the author) is a delight to the senses. I cannot recommend this book highly enough!

Truly enjoyed this book. Short description of the goddesses was very helpful! I would recommend this book for anyone who is seeking to know about the goddesses.

Great reference guide and meditations . I enjoyed the read. Loom forward to using some of the rituals given here.
