Customer Reviews

I received the book exactly when anticipated and in top condition. I wouldn't hesitate to make

another purchase from them.

Lodges: The Faithful does exactly what it sets out to do, and that's a good thing. This book provides much greater detail to the 10 lodges introduced in the Werewolf: The Forsaken core book and provides 10 new lodges as well. In addition the book also provides information on other, one might say evil, Werewolf organizations similar to lodges. Lodge creation rules and a good if simple discussion on the role of lodges round out this product, making it an excellent self contained addition to the Werewolf line.
