Customer Reviews

This was a book my husband wanted to replace the worn one he had. Now that he has it, he's happy with it.

All Get of Fenris are mighty and proud creatures. As I am. We do respect this book - it shows the truth of our Tribe. Every Garou that calls himself of Norsk origin, should read it. And remember about everything written in it. Hail to the mighty Scandinavian warriors, beloved children of the great Fenris!

We've got this book as a gift for our story teller. As all WW books, contains important information, stats and ideas for the tribe and for interesting scenarios
